Planning application number..... *2014/0968/P*

Planning application address..... *15 Gayton Crescent NW3 1TT*

I support the application (please state reasons below)

I object to the application (please state reasons below)

Your comments

The object of this application is to provide off-street parking for the owners car. The junction of Gayton Crescent & Willow Rd is a busy crossing point for primary school children attending New End & Christchurch primary schools & would constitute an unacceptable risk. The property is in a conservation area & the original line of railings should be re-instated.
