Application ref: 2014/0241/P

Associated ref(s):

Date of consultation: 23 January 2014

Proposal: Extension of existing basement (with front and rear lightwells) to match extended footprint of the ground floor above. Rear extension at ground floor level and at 1st floor level above existing ground floor projecting wing, new garage to side elevation.

Comments: OBJECT NO OBJECTION COMMENT

(Please tick as appropriate)

Description of proposals are unclear, application description being unclear whether the ground floor extension already exists or is proposed as part of this application.

Object to new rear terrace depth in relation to the length of the garden.

We object to the two storey rear extension, and particularly the crude expanse of glazing shown.
