2013/8302/P	Ms Kitty Durham	132 Kentish Town Road NW1 9QB	27/02/2014 17:45:31	COMMNT	I am satisfied with the addition of a one storey roof addition however I object to the design on the following grounds: 1.The proposed development, by virtue of its design, bulk and massing, would appear as an over-dominant feature in the townscape, and would fail to preserve and enhance the character and appearance of the existing and adjacent buildings. 2. The retaining of the existing facade involves removing the existing elegant period windows and replacing them with modern clumsy large paned glazing units which are not sympathetic to the design of the existing building or the adjacent building.
