2014/0586/P	Mr BARRY SEIGLER	FLAT 4 102 FELLOWS ROAD LONDON NW3 3JH	26/02/2014 13:21:37	OBJ	I OBJECT TO THE APPLICATION. Mr. Otto Chan is a law unto himself. Whatever he say's is like "Groucho Marks -who said I am a man of principles and if you don't like them I'll change them!" He never does anything in the correct manner, he acts to suit himself and has no consideration for his neighbors. I'm sure this building work will be yet another disaster. He can't even get a parking bay suspension to put a skip to remove the rubbish that has been there for years, he has left rubble in the road to stop people parking. I have photos of the rubbish that has been there for years which he has only just now remove to make way for yet more disaster.
