2014/0857/P	B Bennett	156 Agar Grove  NW1 9TY	26/02/2014 10:52:20	OBJ	<p>Dear Fergus Freeney</p> <p>I am writing to object to the proposed conversion of this ground floor restaurant at 162 Agar Grove, London, NW1 9TY.</p> <p>This proposal would take away a scarce amenity from local residents.</p> <p>The proposal would be inappropriate for this rare surviving original historic Camden building in a conservation area.</p> <p>For residential use it would not be suitable for a Georgian early building to have one very large shop/restaurant frontage window. The proposal to put in 3 shower rooms/ WCs suggests the plan is for 3 small flats, bedsits or hostel which would put pressure on local amenities and significantly change the use.</p>
