2014/0342/P	Constance Govindin	30 Frogna Court  NW3 5HG	24/02/2014 19:10:25	OBJ	<p>Please do not accept this application.</p> <p>This would create horrendous and unbearable noise pollution to the existent residents as well as a lack of parking space and many other structural issues (i.e. water problems, humidity) that we actually already have to cope with.</p> <p>This application should take the residents in account in priority.</p> <p>Thank you for your consideration.</p>
