Subject: 2014/0342/P - NOW ON M3 LOG ON IDOX

Hi there,

I wanted to give my opinion regarding the proposal to build 8 more 2 bed flats on top of this old building.

By doing so there will be noise pollution (and the walls are already thin), less parking space, lot of structural issues.

I'm not sure this s a good idea, especially in this court and buildings so I'm strongly against this project.

Regards,
Lorenzo
