2013/7572/P	Ms Lesley Duff Diamond Management Ltd	31 Percy Street London	19/02/2014 16:17:47	OBJ	I wish to object to the planning application. This would adversely affect our business as the only access to the sight would be through the hallway which serves the rest of the building. As a Theatrical Agency we constantly have clients coming in and out of the building. Most of our work is done with on site meetings and on the phone. The noise from any development of this type would make it impossible to carry out our business. There have been two major refurbishments to the building in the last 3 years which have both impacted our business directly.
