| 2014/1029/P | Mrs maria adiseshiah | 32 Richborough Road London NW23LX | 18/02/2014 19:01:16 | OBJ | I am concerned about the impact of this development on the already stretched parking available in the CA-Q parking permit area. Oak Grove is always fully parked because of the Garages operating at this site. At the weekend it is common to have no parking available in Richborough Road and is necessary to park some streets away, despite being permit holders. Has the council assessed what impact 17 additional cars is going to have on this situation? |
