Dear Bethany,

Minor Material Amendment Application for Guinness Court, St Edmunds Terrace, London, NW8 7QE, Block B only

We refer to the above scheme and following the recent agreement on the elevational / Minor Material Amendment application (Application No. 2013/0505/P) for Block A, we now have pleasure in enclosing a set of drawings, with the relevant completed form and associated fee, in respect of the Minor Material Amendment application in respect of Block B.

We understand that the enclosed Block B elevations have been discussed and the 'principle' design approach agreed with your Charles Rose, by the Contractor 'Galliford Try Partnerships' previously (E Mail 09.08.2013 refers) and therefore have pleasure in formally submitting the revised drawings for your review and approval. Please note that we consider we have now incorporated all the changes and addressed all comments by London Borough of Camden, as requested.

If you have any further queries please do not hesitate to contact the writer.

Yours faithfully,

Steven Attwood
