2013/8301/P	Mr Gavin Monks resident	Flat C 281-283 Kentish Town Road 281-283 Kentish Town Road NW5 2JS	23/01/2014 17:35:46	SUPPRT	i think the idea of a cinema is terrific. kentish town is crying out for a cultural hub of this description. it will go some way in helping the current dearth of movie options nearby and aesthetically seems the right fit for a building of such local historic significance and uniqueness. what we don;t need is a another supermakret on that road - we have sainsburys, somerfeld, co-op and tesco all within a 5 minute radius. and we certainly dont need a chain pub competing with the wonderful array of existing public houses in the area - which make kentish town so appealing to visitors.
2013/8301/P	Ms Amy J Carroll	27b Caversham road London NW5 2DR	28/01/2014 21:52:18	SUPPRT	We would love a cinema in Kentish town. It would be lovely for our teenage daughter to be able to enjoy films in a cinema that she can walk to with her friends. The building is perfect for it.
2013/8301/P	Ms Sarah Peak	66B Camden road London NW1 9DT	29/01/2014 13:06:30	SUPPRT	This sounds like an excellent use of a landmark building.
2013/8301/P	Mr Julian Keith	117 Huddleston Road N7 0EH	25/01/2014 08:23:58	SUPPRT	I fully support this application. The area needs cultural centres such as this and more housing. This does both and negates the opportunity for another supermarket or chain restaurant. It may also be the catalyst for the regeneration of the southern part of Kentishtowner Road.
2013/8301/P	Mr Francis Fawcett	8 Clanfield 40 Gordon House Rd NW5 1NJ	23/01/2014 17:14:19	SUPPRT	I am strongly in support of this scheme. High quality, well considered design such as this should definitley be encouraged as a benchmark for quality in Kentish Town.

2013/8301/P	Ms Laura L Zerilli	38 Haddo House Highgate Road NW5 1PX	22/01/2014 23:14:16	SUPPRT	Kentish Town needs a cinema! A small independent cinema would thrive in NW5, being popular amongst locals and in addition increasing visitors to the area and thus boosting the local economy. It would also provide extra jobs to the locals.
2013/8301/P	Miss Natalie Gilmore	7b Islip Street 7b Islip Street NW5 2DJ	25/01/2014 10:53:38	SUPPRT	This is such an exciting opportunity for Kentish Town - we don't need another supermarket!
2013/8301/P	Mr Billy Kenber	93 Leighton Road NW5 2QJ	27/01/2014 16:03:49	COMMNT	Fully support the proposal, a cinema will be a great addition to the local area.
2013/8301/P	Gabriel Sempill	41 Rochester Road NW1 9JJ	24/01/2014 17:56:22	COMMNT	Sounds wonderful to have a cinema so near also flats. Very exciting development
2013/8301/P	Mr Geoff Harris	Garden Flat 114 South Hill Park N W32SN	23/01/2014 17:37:57	SUPPRT	It would be great to have an independent cinema in Kentish Town. As to who runs it, I think Curzon would probably charge too much but the others would make an interesting contribution to mainstream cinemas in Camden and Finchley Road 02
2013/8301/P	Paula Cronin	220a Kentish Town Road London NW5 2AD	22/01/2014 22:23:53	SUPPRT	I fully support the development of a cinema at this address. As a local resident I feel it will be excellent for the community, and will certainly be well attended by myself and my friends, as well as the locals of Kentish Town.

2013/8301/P	Dr Alexandra Mandair	3c Oak Court	22/01/2014 21:26:13	SUPPRT	An independent cinema would be great for the local area to bring back more life to the south end of Kentish Town

2013/8301/P	Mr Ben Ashenden	22a Marsden Street	22/01/2014 18:02:36	COMMNT	Yes please. A cinema would be a perfecter addition and especially if built so stylishly. Essential to Kentish Town's continued growth.

2013/8301/P	Mr Thomas Clift	103B Torriano Avenue Kentish Town	22/01/2014 18:01:07	SUPPRT	This is the first application for planning permission that I am responding to that has my full whole-hearted support. It is great to see that a really promising proposal has come in to bring this building back into beneficial use, and to reunite Kentish Town with its cinematic history. The area would hugely benefit from enabling the building to be used as a cinema - and public enthusiasm for this idea will I'm sure highlight its potential to be a great success.

2013/8301/P	Ms Charlotte Beckett	56a Tufnell Park Road Top Floor Flat London	29/01/2014 13:24:25	COMMNT	As a local resident I fully support this planning application. Turning the historic former Poly into a cultural space, with an independent cinema, is fully in keeping with the unique, quirky vibe of Kentish Town. There is plenty of appetite amongst residents for culture and the arts, as evidenced by events at pubs, cafes and other temporary venues. To have a permanent place for that hunger to be satisfied will benefit both local residents and attract new visitors to the area, having a positive impact on the vibe and economy of the neighborhood.

2013/8301/P	Mr Daniel Gould	Flat 3 25 Prince of Wales Road London	30/01/2014 18:20:39	SUPPRT	I strongly support this application. The southern end of the High Street has long suffered from a lack of amenities, which hasn't helped its down-at heel appearance. A cinema is just what's needed to improve the fortunes of this part of Kentish Town. I also believe the building plans are attractive and sympathetic to the surrounding landscape.

2013/8301/P	Ms Sarah Monk	57 Willes Road	29/01/2014 14:27:08	COMMNT	As a family who have lived in Kentish Town for over 14 years we think a cinema (we wish it could be a little larger than 50 seats) would be a brilliant addition to the area. Kentish Town is a fabulous community, with sports centre, family owned shops and businesses, and vibrant owner-run pubs. Belsize Park, Hampstead and Camden all have their own cinema offerings and we feel we would really benefit from one too - if it specialises in art-house movies, all the better! 2013/8301/P	Mr Sam Doran	Flat 2, 39B Brecknock Road Kentish Town London N7 0BT	28/01/2014 12:01:13	SUPPRT	A brilliant mixed use scheme that will help improve and continue to enhance the regeneration of Kentish Town. 2013/8301/P	Mrs Victoria A Newland	91 Bartholomew Road Kentish Town	22/01/2014 19:53:10	SUPPRT	I think this is essential for the Kentish Town community, an area rich in culture, once rich in cinema and desperate for its return. I live near the proposed development and can only see it being hugely beneficial to the neighbourhood; creating jobs, bringing more culture, a social hub, some luminary light, supporting established businesses and encouraging more businesses to invest in Kentish Town. I wholeheartedly support the development.

2013/8301/P	Mr Simon Balch	41 Lambie Street	23/01/2014 08:12:26	SUPPRT	Whilst I have no opinion of the specifics of the application, I fully support a cinema in Kentish Town at that location. There are plenty of pubs, cafes, restaurants, supermarkets in Kentish Town so a cinema would be an ideal addition to the amenity value of the area. I work in the TV/ film industry, as do a lot of others in the area, and could see myself making great use of this facility.

2013/8301/P	Ms Jane J MacCuish	7 Kelly street	22/01/2014 19:22:18	SUPPRT	I would support the application for a cinema development on this site. It would be fantastic to have this building come to life as a cinema.

2013/8301/P	Ms Caroline M Gaskin	59 St. John's park mansions	24/01/2014 22:51:43	COMMNT	Best idea yet. This is a wonderful building and this way it provides on many levels for the local community: much needed housing, more contemporary bar/cafe, hopefully a relatively independent flavour in keeping with Kentuch Town in general, and bringing a wider audience into Kentish Town. There's a lot of pubs, music venues of a wide variety as well as theatres, comedy venues, pool, sports facilities and a cinema is what's missing. Great idea, sensitive developers too.

2013/8301/P	Mr Julian M Vizard	2 Cathcart Street	23/01/2014 11:02:12	SUPPRT	I fully support the above application. As a Kentish Town resident it think the proposal of a cinema would be a wonderful cultural resource for the local community. I applaud the fact that a developer has taken an enlightened and creative view on how the site can contribute something original to the area, rather than yet another supermarket, pub, or restaurant. This needs to be encouraged. Also the creation of affordable housing and jobs for local residents are a very welcome benefit. My only concern is that it is only a plan for a 50 seat cinema...it should be more!
		NW5 3BL			
2013/8301/P	Miss Joanna Palmer	Flat 21 4 Grafton Yard	29/01/2014 13:15:50	SUPPRT	A cinema would be a wonderful addition to our community and would actually feel like a step toward preserving it, rather than simply adding to the local population by creating more (expensive) housing. As a local resident for 3 years the idea of a social hub in Kentish Town, that is not just a restaurant or pub, I think is really exciting and has the potential to add real genuine cultural value to the area (which after all is in part what holds up all the house prices).

Similar small cinemas in East London are very popular, particularly when they have been combined with a bar or general meeting place. We do NOT need another supermarket! I live in Archway and the nearest cinema to me is the Holloway Road Odeon, which is completely run down and soulless. 2013/8301/P	Ms Sharon Reuben	89A Brecknock Road N7 0BX	30/01/2014 13:29:14	COMMNT	I wish to register my wholehearted support for the proposal to redevelop the old 'Pizza Express' building into an independent cinema with cafe / bar, plus flats. This would be a huge boost to our vibrant neighbourhood; currently my friends and I travel outside the area specifically to visit other such picture houses - we are passionate about cinema and would be much happier to give our financial support to a project within our own borough. 2013/8301/P	Mrs Karen King-Wilson	Little Springfield Farm Plaistow Road Ifold Nr Loxwood West Sussex RH14 0TS	22/01/2014 21:13:42	COMMNT	I regularly visit relatives who live and work in Kentish Town and have often missed having a local cinema to share outings with my family on these occasions. The area offers a large choice of shopping facilities, restaurants and pubs, but apart from the gym and summer street festivals there is a distinct lack of leisure facilities. A cinema is urgently required to serve the local community.

2013/8301/P	Ms Holly Harley	146a Kentish Town Road London	25/01/2014 08:31:08	SUPPRT	As a current resident of Kentish Town and one who lives right opposite the currently vacant building, I am really excited about the prospect of the building becoming home to a cinema as it will invigorate the south Ktown strip in a more poaitive way than a supermarket or identi-kit pub would. My only concern is that the properties also contained in the building will be like the North Poly houses behind it -- unaffordable for locals and first-time/young buyers.

2013/8301/P	Mr Kevin Lynch	58 Brecknock Road	22/01/2014 18:31:53	SUPPRT	As a local resident I strongly believe the addition of a cinema of this scope would greatly enhance the area and benefit its residents. The design is also sympathetic to the original structure, while the affordable housing element will be welcome to many young residents from the locality who are struggling to find reasonably priced places to live and are being forced to consider moving from the area.

2013/8301/P	Dr Jessica Jacobs	7 Gordon House Road	04/02/2014 19:36:14	SUPPRT	The cinema should be open to resident and international guest filmmakers and artists who use film to host educational and cultural film nights and talks on themes of relevance and interest to Camden residents. 2013/8301/P	Miss Emma Lyne	171 Leighton Road London	23/01/2014 23:48:04	SUPPRT	A cinema on this site is a great idea. I have been a Kentish Town resident for over 20 years and love this area very much. NW5 has wonderful facilities but it does lack a cinema. A cinema on this site would be a great addition for the community. The Odeons in Camden Holloway are functional but lack a feeling of community, whereas a more intimate type venue would feel special and more 'local'. It would allow great opportunities to serve different areas of the community too eg: kids' screenings on a Saturday morning.

The idea of the development including several social housing units is also welcome. I would further suggest that it would be a positive move to try to incorporate some kind of educational provision within the cinema complex based around film or an offer of some regular, scheduled community-based, film-related activities as part of the reuse of this space as the whole block was previously part of what is now the London Met University (Humanities Faculty). Our family would most definitely make use of the cinema facility & this usage would be infinitely preferable to it being converted into a shop or retained as a restaurant. The space within the building naturally lends itself perfectly to this new proposed usage & the reinstatement of a non-multinational cinema company will be of great benefit to all living &/or working in the local area.

Independent cinemas offer a very different and more sort of cultured experience to the bigger chains like Odeon. Also the endless coffee shop and supermarket chains scattered along Kentish Town road are starting to make it look and feel rather soulless- it is turning into a cloned high street! As for the flats- housing is always good. I just hope they are sympathetic to the old facade ad done tastefully (not like the horrid black building next to old South Kentish Town tube station- that looks like it was designed and built by someone that had no idea what they were doing).

One of the attractions of Kentish Town Road is the number of independent businesses and the proposed cinema will add to that. For this reason alone I would support the development.
		NW5 2PX			And architecturally the scheme in my view also works well, it adds some substance that is perhaps slightly missing in in the current building for such a prominent site. Still, this has been done sensitively with the existing distinctive red-brick structure retained as the main feature.
