14. Biodiversity and G	eological Consei	rvation						
		r to the guidance notes for further inf t or nearby and whether they are like		when there is a reasonable likelihood that any ed by your proposals.	important biodiversity			
Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:								
a) Protected and priority spec	cies							
Yes, on the development site Yes, on land adjacent to or near the proposed development No								
b) Designated sites, important habitats or other biodiversity features								
Yes, on the development site Yes, on land adjacent to or near the proposed development No								
c) Features of geological con	c) Features of geological conservation importance							
Yes, on the developmer	nt site	Yes, on land adjacent to or near the p	oroposed deve	elopment No				
15. Existing Use								
Please describe the current u	se of the site:							
Residential occupation of the	existing home.							
Is the site currently vacant?								
Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application.								
Land which is known to be contaminated? Yes No								
Land where contamination is suspected for all or part of the site? Yes No								
A proposed use that would be particularly vulnerable to the presence of contamination? Yes No								
16. Trees and Hedges								
Are there trees or hedges on	the proposed develop	oment site?	○ No					
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? One was a superior of the local landscape character?								
If Yes to either or both of the above, you may need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in								
		ion to design, demolition and constru						
17. Trade Effluent								
Does the proposal involve th	e need to dispose of ti	rade effluents or waste?	(Yes No				

18. Residential Units							
Does your proposal include the gain or loss of residential units? Yes No							
19. All Types of Development: I	Non-residential Fl	oorspace				·	
Does your proposal involve the loss, gain	or change of use of nor	n-residential floorspace?		C Yes	No		
20. Employment							
If known, please complete the following i	nformation regarding e	employees:					
	Full-time	Part-time		Equivalen	Equivalent number of full-time		
Existing employees Proposed employees	0	0 0		0			
21. Hours of Opening							
If known, please state the hours of opening	ng for each non-residen	tial use proposed:					
Use Monday to Frida		Saturday		Su	nday and Bank Holidays	Not	
Start Time End	d Time	Start Time E	ind Time	Sta	rt Time End Time	Known	
22. Site Area							
What is the site area? 1,240.4	sq.metres						
23. Industrial or Commercial Pr	ocesses and Mach	ninerv				==	
Please describe the activities and process		-	e end products includ	ding plant, vent	ilation or air conditioning. Please	include the	
type of machinery which may be installed N/A				ang plant, vent			
Is the proposal for a waste management	development?	○ Ye	s No				
24. Hazardous Substances							
Is any hazardous waste involved in the proposal? Yes No							
25. Site Visit							
	odella Carako akla badallaria			O V: O	No		
Can the site be seen from a public road, p			·		No v one)		
If the planning authority needs to make an appointment to carry out a site visit, whom should they contact? (Please select only one) The agent Other person
