**Subject:** RE: wild court

Dear Ian,

It was good to meet you again and your consultant Philip Atkins too.

I confirm our interest in Wild Court both as temporary decant accommodation and student residential accommodation. The freehold, as I mentioned yesterday, would be our preferred form of tenure for student accommodation.

By copy to Keith Clarkson (**0207 852 3647**) I am including him in this and future correspondence regarding proposals your College may wish to put forward.

At the same time I recall you provided drawings when we last discussed Wild Court but I cannot put my hand as existing drawings. Could I ask for a set which Keith is particularly interested in for the purposes of decant accommodation?

I am away on leave next week returning on Tuesday 19<sup>th</sup> November. If you need to discuss anything whilst I am away please feel free to contact Keith directly.

Kind regards,

Chris
