

**REVISION B - 14th January 2014**  
Parking arrangement amended to match existing and comparison with existing added. Low brick wall and gate-railing detail added

**REVISION A - 14th December 2012**  
Width of garden steps reduced from 2.16m to 1.5m

**KEY TO PROPOSED WORK**

- existing walls
- new walls with thermal insulation to external walls
- existing walls to be removed
- insulation added to existing walls

As the house is in a Conservation Area, Building Control requirements for improving the thermal performance of existing external walls by adding insulation to interior surfaces, are not required.  
This is subject to verification with Camden Building Control during the building stage of the project.
