2013/7034/P	Mr Linus Rees Fitzrovia Neighbourhood Association	Fitzrovia Neighbourhood Centre 39 Tottenham Street London W1T 4RX	27/12/2013 20:10:52	OBJ	<p>Our association wishes to object this application and the associated listed building consent.</p> <p>Firstly the applicant incorrectly states that the building is being used as studio rooms. It has in fact been used as a single family home from 1964 until 2012.</p> <p>Secondly the applicant has incorrectly filled in the application form. The applicant states the existing residential units as 4 and the proposed as zero. This is a nonsense.</p> <p>The residential part of the building consists of a single family home and the applicant proposes changing it into 4 residential units. We object to the loss of a family-sized home.</p> <p>We also object to the extensions to the rear of the building and the re-configuration of the internal areas of the building, particularly the removal of the fireplaces and chimney breasts.</p> <p>This is a Grade II listed building. It is also a building of recent historic importance as it was used as a meeting place for members of the African National Congress (ANC) in exile.</p> <p>We also object to the poor qualiti</p>
