2013/7404/P	Mr C Mindenhall	81 Redington Road	26/12/2013 12:10:44	OBJ	We are not sure residential accommodation in back gardens is in line with council or neighbourhood planning guidelines. We are concerned that our garden environment would be changed by residential accommodation on the boundary. This would seem to be right up against our boundary. We would not object to a summer house non residential type accommodation.
