Qs 20 & 21: Do you clarify elsewhere the employee numbers and opening hours – please confirm and provide.

Agent answer: “With regards to the PBT facility... Under full operation, the facility is envisaged to be open five days a week, 50 weeks a year and will operate for 16 hours a day. It is envisaged that the proposal will generate in the order of 125 jobs, with a maximum occupation of 90 staff at any one time.

However, clearly the above ground clinical use will be in operation 24 hours a day as it will essentially have patients residing there for overnight stays.”
