Agar Grove

The linked villas of Plot H re-establish the historic street pattern and balance the section of the street. The villas are set back from the pavement line to allow for the retention of a number of existing trees. Plot I then extends back out to the pavement, aligning with Plot JKL beyond.

Agar Grove- Lulworth Approach

Plots JKL (on the left) and I (on the right) frame a tree-lined street that leads to an arrival square that connects Lulworth, the existing Childrens' Centre and the Plot B Community Arch. A retail unit on the corner of JKL replaces the existing shop on the estate.
