Dear Ms. Shepherd,

re: Application ref: 2013/7690/P

I am concerned that the Borough's consultation about the above application is not reaching all of those that could be affected.

Imperial Works (Block C) runs the length of houses nos. 25 to 36 but also faces nos 13 to 24 on the opposite side of the road who have not received your letter.

One "How Does This Affect You?" notice has been sited in Perren St.

Ryland Road needs a sign so that residents will see it near the northern end of the street as this is where the impact would occur most.

I hope you can remedy this situation, Thank you.

Yours sincerely,
Peter Callon.
