Subject: Letter of objection - Athlone House

Dear Charles,

I would like to register my objection to the proposed demolition of Athlone house.

The developers did not honour their agreement with Camden whereby they were allowed to build flats in the grounds of Athlone House providing Athlone House was restored. The flats were built and sold several years ago and the developer made a very hefty profit and then sold Athlone House - however this does not release the new owner from the obligation to restore the house.

Regards
