Subject: Mount Pleasant Development

Hi,

I have just watched a disturbing youtube video <http://www.youtube.com/watch?v=wP-PzGXYHFA> about the impact of a planning proposal for Mount Pleasant sorting office. I cannot believe such a massive scheme is even being considered.

How can the area sustain such dense and high buildings?

What will happen to our already over-subscribed schools?

How will the local infrastructure deal with so many more residents?

I sincerely hope that you will not allow such a proposal and will encourage the newly privatised Royal Mail to produce something more in keeping with the area that provides a benefit rather than being a parasitic carbuncle.

I strongly oppose the development in its current form. I would be grateful to be kept up to date on the progress of the planning applications.

Yours faithfully,

Toby Mason
