Dear Sirs,

**Developer's notice as required under the Town and Country Planning
(General Permitted Development) (Amendment) (No.2) (England) Order
2013**

**Re: UK Broadband, Euston Telephone Exchange, 165 Euston Road,
London, NW1 2BH**

I refer to the above.

I write to advise that on behalf of the managing agent, Arqiva Ltd, I shall be submitting an application for a determination as to whether or not prior approval is required to the London Borough of Camden in relation to the installation for UK Broadband of 3 no. antennas and 3 no. dishes with 3 no. support poles, feeder cables, cable tray, 2 no. equipment cabinets and ancillary development.

In this regard, please find enclosed the requisite Developers Notice and a copy of a plan identifying the location of the proposed development. I have also enclosed a copy of the application drawings for you reference.

The Notice explains where the planning application can be viewed, where representations can be made and the time-scales for doing so.

I trust this is of assistance. Should you wish to discuss this matter in any detail or require additional information then please do not hesitate to contact me.

Yours faithfully
