I support this application. I am the owner of Flat 26, with a share of the freehold.

I have attended the meetings of Kings College Court, Hd. re this application & think it's a good idea. The only point I don't support is having balconies! My flat looks over a main road. The other 3 aspects overlook a road or uninteresting views. We won't be allowed to hang washing out, I'm sure, & my balcony with traffic noise wouldn't be much pleasure to sit on. I am not a gardener. Otherwise the plan seems all right.
