3. Description of the Proposal

Please describe the proposed development including any change of use:

Change of Use

This Planning Application is for the Change of Use of Ground and Basement demises for 1-3 Denmark Street, WC2H 8LP; from A2 to A3 with A1 (mixed use).

The existing A2 use of the building as a Job Centre was let by the freehold landlord (Stevens Properties Ltd) to the same tenant since 1930. The building was built by the current landlords grandfather. As such the building has both a long term standing in the history of the street, and the landlord respecting this heritage is keen that the new ground floor tenant understands the local context and is 'independent'.

The new tenant Fernandez and Wells proposes a mixed use activity that re-activates this important corner ground floor and acknowledges the high street shop front pattern of Denmark Street. Fernandez and Wells propose a bistro as A3 and a Bakery as A1.

Change of use; from A2 to A3 with A1 (mixed use).

A3, Main use:

- Continental style café-bar bistro, with its roots in the market place.
- Offering a Jamon (dry cured Spanish ham), cheeses, bread, snacks, coffee, wine and beer.
- Serving breakfast through to evening.
- A1, supplementary use:
- Bakery, shop.
- The A1 use acknowledges the opportunity to change use class between the existing A2 use and A1 without consent.
- Retaining A1 use on the high street.
- Given the property msq area the proposed activity looks to operate as both A3 and A1 uses.

Fernandez and Wells: Fernandez & Wells established its name in Soho with three much-loved café/bars. The last couple of years have seen two further additions, in the eighteenth-century splendour of Somerset House, (described by Time Out as "the most welcome new opening of the winter") and on Exhibition Road in South Kensington. The well chosen selection of cured meats, cheeses, and wines by the glass, as well as fantastic coffee, home-made cakes and sandwiches continues to be a huge draw for urban foodies. The attention to detail and use of natural stone and wood for the interiors has also been highly praised, as has the very friendly service. The concept for 1-3 Denmark Street is similar to our other outlets, that is to say a continental style café-bar bistro, with its roots in the market place. On a typical day we open early morning – 7.30am in the weekday – a little later at weekends – for good coffee, filled croissants and other breakfast items such as eggs and 'pain perdu'. A significant proportion of this is take-away although there plenty of room for seating. At lunchtime, the fare is broadened a bit with salads, sandwiches, soups and stews and cakes – again, much of this is take out. This carries on through the afternoon until early evening when our top quality charcuterie, cheese and small tapas style offerings are available with wine by the glass. As well as food and drink for consumption on the premises and take away there is also a range of goods for sale on display, both on the counter and on shelves. These items include cheeses, meats, our own brand coffee by the bag, and chocolate. We are developing our own brand range of biscuits, jams, sauces etc. Has the building, work or change of use already started? Yes No 4. Site Address Details Full postal address of the site (including full postcode where available) Description: Ground and Basement demise of 1-3 Denmark Street, WC2H 8LP. G+B House: Suffix: 1-3 House name: Denmark Street Street address: London Town/City: County: WC2H 8LP Postcode: Description of location or a grid reference (must be completed if postcode is not known): 529919 Easting: 181261 Northing: 5. Pre-application Advice Yes No Has assistance or prior advice been sought from the local authority about this application? If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently): Officer name: Title: Mr First name: John Surname: Nichols CA/2013/ENQ/07008 Reference: Date (DD/MM/YYYY): 07/10/2013 (Must be pre-application submission) Details of the pre-application advice received: Pre-application advice was sought from the Duty Planner. 1. 07.Oct.2013 - 12:15 - Mr. John Nichols. i) Site location: not in Central London Area or Central London Frontage. Could be useful to refer to relevant policies on the consideration of shop fronts and high street. ii) Use: Currently A2 therefore can without planning application be changed to A1. A1 use on South side of Denmark Street is in accordance with 50% non A1 use criteria, as is introducing another use as Denmark St is predominantly retail shops. Change of use from A2 to A3 with A1, is suggested given described activities of an A3 bistro-cafe that will apply for a license, whilst wanting to retain A1 use also. 2. 14.Oct.2013 - 11:24 - Ms. Sally Sheppard. i) Shop fronts: contribute to area, provide visual interest for onlookers, opportunities for overlooking of the street. Proposing this could be deemed a positive change from the existing non involved facade. ii) refer to CPG 1 Design. iii) refer to CPG5 Town Centres, Retail and Employment. iv) Shop front with opening serving counter over payement lights and building title deed demise line; Proposing this could be deemed a positive change from the existing non involved facade. This provides windows, doors and other active features at ground floor. 3. 16.Oct.2013 - 15:04 - Mr. John Nichols. i) Separation of planning applications between Change of Use and Material Changes to fabric. This is often done to separate dependence of use change on a design matter. ii) Inclusion of Advertisement consent as part of Full Planning Application. Yes if the proposals include advertisements that are illuminated, different from those that exist, are to be presented on windows, awnings or that could be considered to not have 'deemed consent rights'. Application will be a Full Planning Application with advertisement consent.

Description of the Proposal (continued)
 Provide the offer of orthodox 'shop' use class to serve local trade.

6. Pedestrian and Vehicle Access, Roads and Rights of Way
o. Fedestrian and Venicle Access, Roads and Rights of Way
Is a new or altered vehicle access proposed to or from the public highway? Yes No
Is a new or altered pedestrian access proposed to or from the public highway? Yes No
Are there any new public roads to be provided within the site? Yes No
Are there any new public rights of way to be provided within or adjacent to the site? Yes No
Do the proposals require any diversions/extinguishments and/or creation of rights of way? Yes No
7. Waste Storage and Collection
Do the plans incorporate areas to store and aid the collection of waste? • Yes • No
If Yes, please provide details:
Waste, Recycling and Storage:
Fernandez and Wells operates a discerning business that sources both sustainable ingredients in terms of production growth, rearing and manufacture; as well as packaging and locality from source.
Having trading relationships with several London based suppliers of beer, coffee, bread and cheese.
The business seeks to process waste in the following ways.
Separation of waste into five bins to aid both sorting, storage and collection.
- Waste (non recycling, minimised through sourcing) - Food waste (non composting)
- Recyclable waste (packaging, bottles)
- Composting waste (uncooked, coffee grains. independent)
- Return packaging (brand bottles, coffee sacks, suppliers. independent) Storage on site in the basement kitchen prep area provides space for both live waste (open bins in use) and dead waste (closed bins amassing waste bags).
Have arrangements been made for the separate storage and collection of recyclable waste? Yes No
If Yes, please provide details:
Separate storage and collection of recyclable waste:
As per the answer to waste collection, Fernandez and Wells actively recycle.
This is of both waste packaging, composting foodstuffs, return packaging.
