Dear Ms Zacharia

Re: Town & Country Planning Act 1971
Verulam House, 56-62 Gray's Inn Road, WC1

Further to our telephone conversation today, we wish to confirm that we have been in touch with our client with regard to the car park spaces and he is not prepared to lease the spaces on the above site for other users.

Would you, therefore, please find enclosed the revised drawing no: 1857/TPO2A which has been redrawn to indicate the 4 no: car park spaces as required, with the residue area being landscaped.

We understand from you that the application is going to Committee on 19th October 1988.

Yours sincerely
