APPLICATION TO PARTIALLY DISCHARGE CONDITION 47 IN RESPECT OF PLANNING PERMISSION
REF. 2012/6338/P

Please find enclosed an application for the partial discharge of Condition 47 of planning permission ref. 2012/6338/P (issued 25 April 2013).

Condition 47 states:

"Construction Management Plan

Prior to the demolition of the existing buildings and the commencement of construction of the new buildings a Construction Management Plan / Construction Logistics Plan setting out measures for ensuring highway safety and managing transport, deliveries and waste (including recycling of materials) throughout the demolition and/or construction period(s) and taking account of the cumulative impact of concurrent or planned development within the immediate area, shall be submitted to and approved by the local planning authority in consultation with Transport for London and shall contain mechanisms for monitoring, review and further approval by the local planning authority and Transport for London as required from time to time. The Construction Management Plan / Construction Logistics Plan shall also include details of a working group involving local residents and businesses, a contractor complaints/call-line and measures to be carried out to mitigate the impact of the noise

arising from construction and demolition activities on local residents and businesses. The measures contained in the Construction Management Plan / Construction Logistics Plan shall at all times remain implemented throughout the duration of the works of demolition and construction."

For clarity, the Construction Management Plan (CMP) relating to the demolition phase of the DHO site (the Demolition Plan) has already been approved (2013/4409/P). This application seeks approval of the details of the Construction Management Plan (CMP) relating to the proposed redevelopment of the DHO and BLR sites. Following approval of this application, condition 47 will therefore be fully discharged. We would be grateful if the decision notice can clearly state this.

This submission comprises the original and three hard copies of the following documents:

- Completed application form;
- This covering letter;
- The Construction Management Plan;
- Site Location Plan; and
- Decision Notice of 2013/4409/P for reference.

An electronic copy is also provided. A cheque for £97 made payable to London Borough of Camden is also enclosed for the requisite application fee.

I look forward to receiving confirmation of validation shortly. Please do not hesitate to contact me should you require any further information.

Yours faithfully,

Poppy Carmody-Morgan
