Proposal:

Erection of a three storey building to provide two flats with second floor terrace (Class C3) following partial demolition of existing office/warehouse (Class B1/B8)

Drawing Nos: Site Location Plan 200_03_101; 01; 02; 03; 05; 06; 10 Rev B; 11 Rev A; 12 Rev A; 13 Rev A; 14 Rev A; 15 Rev A; 16 Rev A; 17 Rev A; Design and Access Statement by FT Architects dated June 2012; Construction Management Plan by FT Architects dated June 2012; Overarching Planning Statement by FT Architects dated June 2012; Daylight and Sunlight report by Waldrams dated 20th June 2012; Code for Sustainable Homes Report by Abba Energy Ltd dated 17th August 2012; Planning Support Statement by Farebrother Surveyors dated August 2012.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 The development hereby permitted shall be carried out in accordance with the following approved plans: Site Location Plan 200_03_101; 01; 02; 03; 05; 06; 10 Rev B; 11 Rev A; 12 Rev A; 13 Rev A; 14 Rev A; 15 Rev A; 16 Rev A; 17 Rev A; Design and Access Statement by FT Architects dated June 2012; Construction Management Plan by FT Architects dated June 2012; Overarching Planning Statement by FT Architects dated June 2012; Daylight and Sunlight report by Waldrams dated 20th June 2012; Code for Sustainable Homes Report by Abba Energy Ltd dated 17th August 2012; Planning Support Statement by Farebrother Surveyors dated August 2012.

Reason: For the avoidance of doubt and in the interest of proper planning.

- 3 Prior to first occupation of the buildings, details showing the location and extent of photovoltaic cells/solar water heaters to be installed on the building and manufacturer's specifications shall have been submitted to and approved by the Local Planning Authority. The equipment shall be installed in full accordance with the details approved by the Local Planning Authority and permanently retained and maintained thereafter.

Reason: In order to secure appropriate energy and resource efficiency measures and on-site renewable energy generation in accordance with the requirements of policy CS13 (Tackling climate change and promoting higher environmental standards) of the London Borough of Camden Local Development Framework Core Strategy and policies DP22 (Promoting sustainable design and construction), DP23 (Water), DP24 (Securing high quality design) and DP32 (Air quality and Camden's Clear Zone) of the London Borough of Camden Local Development Framework Development Policies.

- 4 Prior to the first occupation of the building a plan showing details of the green roof including species, planting density, substrate and a section at scale 1:20 showing that adequate depth is available in terms of the construction and long term viability of the green roof, and a programme for an initial scheme of maintenance shall be submitted to and approved in writing by the local planning authority. The green roof shall be fully provided in accordance with the approved details prior to first occupation and thereafter retained and maintained in accordance with the approved scheme of maintenance.

Reason: To ensure that the green roof is suitably designed and maintained in accordance with the requirements of policies CS13 (Tackling climate change and promoting higher environmental standards), CS14 (Promoting high quality places and conserving our heritage) and CS15 (Protecting and improving our parks and open spaces and encouraging biodiversity) of the London Borough of Camden Local Development Framework Core Strategy and policies DP22 (Promoting

sustainable design and construction), DP23 (Water), DP24 (Securing high quality design) and DP32 (Air quality and Camden's Clear Zone) of the London Borough of Camden Local Development Framework Development Policies.

- 5 The proposed development shall not be occupied until the whole of the cycle parking provision shown on the approved drawings is provided. The whole of the cycle parking provision shall be permanently retained and maintained thereafter.

Reason: To ensure the development provides adequate cycle parking facilities in accordance with the requirements of policy CS11 (Promoting sustainable and efficient travel) of the London Borough of Camden Local Development Framework Core Strategy and policy DP17 (Walking, cycling and public transport) of the London Borough of Camden Local Development Framework Development Policies.

- 6 The details of the facing materials to be used on the building shall not be otherwise than as those submitted to and approved by the Council before any work is commenced on the relevant part of the development. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 (Promoting high quality places and conserving our heritage) of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 (Securing high quality design) and DP25 (Conserving Camden's heritage) of the London Borough of Camden Local Development Framework Development Policies.

- 7 A sample panel of the facing brickwork demonstrating the proposed colour, texture, face-bond and pointing shall be provided on site and approved by the Council before the relevant parts of the works are commenced and the development shall be carried out in accordance with the approval given. The sample panel shall be retained on site until the work has been completed.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 (Promoting high quality places and conserving our heritage) of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 (Securing high quality design) and DP25 (Conserving Camden's heritage) of the London Borough of Camden Local Development Framework Development Policies.

- 8 Notwithstanding the provisions of Article 3 of the Town and Country Planning (General Permitted Development) Order 1995 as amended by the (No. 2) (England) Order 2008 or any Order revoking and re-enacting that Order, no development within Part 1 Classes A of Schedule 2 of that Order shall be carried out without the grant of planning permission having first been obtained from the Council.

Reason: To safeguard the visual amenities of the area and to prevent over development of the site, and to protect the amenity of adjoining occupiers by controlling proposed extensions and alterations in order to ensure compliance with

the requirements of policies CS14 (Promoting high quality places and conserving our heritage) and CS5 (Managing the impact of growth and development) of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 (Securing high quality design) and DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings. You are advised to consult the Council's Building Control Service, Camden Town Hall, Argyle Street WC1H 8EQ, (tel: 020-7974 2363).
- 2 Noise from demolition and construction works is subject to control under the Control of Pollution Act 1974. You must carry out any building works that can be heard at the boundary of the site only between 08.00 and 18.00 hours Monday to Friday and 08.00 to 13.00 on Saturday and not at all on Sundays and Public Holidays. You are advised to consult the Council's Compliance and Enforcement team [Regulatory Services], Camden Town Hall, Argyle Street, WC1H 8EQ (Tel. No. 020 7974 4444 or on the website <http://www.camden.gov.uk/ccm/content/contacts/council-contacts/environment/contact-the-environmental-health-team.en> or seek prior approval under Section 61 of the Act if you anticipate any difficulty in carrying out construction other than within the hours stated above.
- 3 Reasons for granting permission.

The proposed development is in general accordance with the London Borough of Camden Local Development Framework Core Strategy, with particular regard to policies CS1 (Distribution of growth), CS5 (Managing the impact of growth and development), CS6 (Providing quality homes), CS8 (Promoting a successful and inclusive Camden economy), CS11 (Promoting sustainable and efficient travel), CS13 (Tackling climate change and promoting higher environmental standards), CS14 (Promoting high quality places and conserving our heritage), CS15 (Protecting and improving our parks and open spaces & encouraging biodiversity), and CS19 (Developing and monitoring the Core Strategy); and the London Borough of Camden Local Development Framework Development Policies, with particular regard to policies DP2 (Making full use of Camden's capacity for housing), DP5 (Homes of different sizes), DP6 (Lifetime homes and wheelchair homes), DP13 (Employment sites and premises), DP16 (The transport implications of development), DP17 (Walking, cycling and public transport), DP18 (Parking standards and limiting the availability of car parking), DP19 (Managing the impact of parking), DP21 (Development connecting to the highway network), DP22 (Promoting sustainable design and construction), DP24 (Securing high quality design), DP25 (Conserving Camden's heritage), DP26 (Managing the impact of development on occupiers and neighbours), and DP32 (Air quality and Camden's Clear Zone).

Furthermore, although the proposal would result in a loss of low quality commercial floorspace, it would bring a vacant building back into use providing residential floorspace. The new building is not considered to harm the character or appearance of the streetscene or conservation area, or considered to harm the amenity of adjoining occupiers or the local transport network.

- 4 The Mayor of London introduced a Community Infrastructure Levy (CIL) to help pay for Crossrail on 1st April 2012. Any permission granted after this time which adds more than 100sqm of new floorspace or a new dwelling will need to pay this CIL. It will be collected by Camden on behalf of the Mayor of London. Camden will be sending out liability notices setting out how much CIL will need to be paid if an affected planning application is implemented and who will be liable.

The proposed charge in Camden will be £50 per sqm on all uses except affordable housing, education, healthcare, and development by charities for their charitable purposes. You will be expected to advise us when planning permissions are implemented. Please use the forms at the link below to advise who will be paying the CIL and when the development is to commence. You can also access forms to allow you to provide us with more information which can be taken into account in your CIL calculation and to apply for relief from CIL.

<http://www.planningportal.gov.uk/planning/applications/howtoapply/whattosubmit/cil>

We will then issue a CIL demand notice setting out what monies needs to paid when and how to pay. Failure to notify Camden of the commencement of development will result in a surcharge of £2500 or 20% being added to the CIL payment. Other surcharges may also apply for failure to assume liability and late payment. Payments will also be subject to indexation in line with the construction costs index.

Please send CIL related documents or correspondence to CIL@Camden.gov.uk

- 5 You are reminded that this decision only grants permission for permanent residential accommodation (Class C3). Any alternative use of the residential units for temporary accommodation, i.e. for periods of less than 90 days for tourist or short term lets etc, would constitute a material change of use and would require a further grant of planning permission.
- 6 Your attention is drawn to the fact that there is a separate legal agreement with the Council which relates to the development for which this permission is granted. Information/drawings relating to the discharge of matters covered by the Heads of Terms of the legal agreement should be marked for the attention of the Planning Obligations Officer, Sites Team, Camden Town Hall, Argyle Street, WC1H 8EQ
- 7 You are reminded that filled refuse sacks shall not be deposited on the public footpath, or forecourt area until within half an hour of usual collection times. For further information please contact the Council's Environment Services (Rubbish Collection) on 020 7974 6914/5. or on the website <http://www.camden.gov.uk/ccm/content/contacts/council->

- 8 Your proposals may be subject to control under the Party Wall etc Act 1996 which covers party wall matters, boundary walls and excavations near neighbouring buildings. You are advised to consult a suitably qualified and experienced Building Engineer.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Your attention is drawn to the notes attached to this notice which tell you about your Rights of Appeal and other information.

Yours faithfully
