The Council has considered your application and decided to **refuse** planning permission for the following reason(s):

Reason(s) for Refusal

- 1 The proposed development, by virtue of its siting, scale and materials, would appear as an incongruous addition to the host building and the row of mews properties within which it is located failing to respect its character and integrity and disrupting

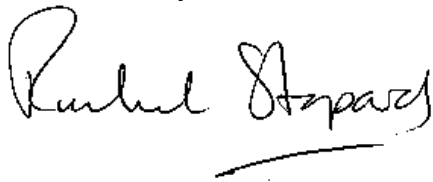

the uniform pattern of development. In addition the proposal would fail to preserve and enhance the character of the surrounding Conservation Area, contrary to Policy CS14(Promoting high quality places and conserving our heritage) of the London Borough of Camden Local Development Framework Core Strategy and Policies DP24(Securing high quality design) and DP25 (Conserving Camden's heritage) of the London Borough of Camden Local Development Framework Development Policies.

- 2 The proposed terrace by virtue of its scale and siting would result in harm to the privacy enjoyed by neighbouring residents within Nos.23-29 Conway Street resulting harm to their amenity, contrary to policies CS5 (Managing the impact of growth and development) and DP26 (Managing the impact of development on occupiers and neighbours) of the London Borough of Camden Core Strategy and Development Policies 2010.

In dealing with the application, the Council has sought to work with the applicant in a positive and proactive way in accordance with paragraphs 186 and 187 of the National Planning Policy Framework.

Your attention is drawn to the notes attached to this notice which tell you about your Rights of Appeal and other information.

Yours faithfully
