Description

The perfect tile to install on a gallery or roof terrace. Extra heavy quality which makes them more resistant against heavy point loads.

With profiled base for good drainage.

Available in the following sizes:

- 1000 x 1000mm
- 500 x 500mm
- 600 x 600mm

The tiles of 1000x1000mm have a profile of 500x500mm in the top layer.
