Dear Sir/Madam

7 Chalcot Square, London, NW1 8YB

We submit revised drawings to discharge the conditions.

We also submit revised drawing 1131-3E. From correspondence with Charles Rose, it was requested we submit the elevation to show the re-instatement of the original window to the second floor which was deemed possibly successful.

The floor samples attached are for the following floors:

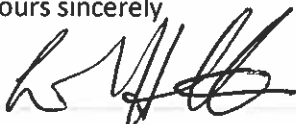

- Lower Ground Floor – sample to follow shortly
- Ground Floor – Tile to cover the whole floor
- First Floor – solid wood parquet floor for the Reception Room and the Library
- Second floor – same solid wood parquet for the Master Bedroom and the Ensuite Bathroom
- Third Floor – carpet, sample not included
- Halls and Staircases – carpet, sample not included

The threshold detailing between the landings and the first floor and the second floors to follow shortly

We look forward to hearing in due course any news on our application.

With kind regards

Yours sincerely
