Dear Jonathan,

Further to your email request, please find attached updated proposed plans showing internal layout of flats at the above project.

As can be seen we are proposing 5 no. studio apartments, 5 no. 1-bed apartments and 1 no. 2-bed apartment. This scheme therefore requires 11 no. cycle spaces in total and these are shown on the Ground Floor plan.

If you require any further information please do not hesitate to contact me.

Kind regards
Kate Clear
