Proposal	Replacement of front entrance steps and alterations to paving and steps and replacement of air conditioning unit o front lightwell of dwelling house (Class C3).
No Objection	Yes
Comment	Yes
Observations	<p>No objection of principle to the proposed changes to the steps. We request a condition that all details of stone dressing, nosing form, etc be submitted for detailed approval, given the importance of the front steps to the house and the whole terrace.</p> <p>We note that we object in principle to the provision of air conditioning in traditional buildings in residential use, but that the proposal is for a replacement. Is it possible to ensure that the replacement is less energy consuming / more sustainable?</p> <p>Richard Simpson Chair RPCAAC</p>
