Response:

we would like to object to the change of use and the extended hours requested by the applicant. Primarily for noise concerns. This is a Sisha bar and most people are seating and smoking outside in the forecourt. this is already creating a noisy environment and extending the hours will be more disruptive and unpleasant for local residents and in particular children.

the smell of burnt charcoal is also rather unpleasant for local resident and longer opening hours will only make things worse.

We would urge the council to consider the disruptions caused to local residents and in particular children in this matter.

Thanks and Best regards,

EJ
