Dear Mr Genet,

**Re. 2013/3878/INVALID pursuant to planning application 2012/2736/P  
Site adjacent to 41 Ferncroft Avenue, London NW3 7PG  
Planning condition no.5**

With reference to your letter to Mr Berlouis dated 17<sup>th</sup> July 2013 I have been instructed to assess an arboricultural report produced by Adam Hollis, Arboricultural Consultant dated 10<sup>th</sup> May 2012 insofar as its suitability for submission in discharge of planning condition no.5 of 2012/2736/P.

It is my opinion that the content of the report, the tree survey, arboricultural impact assessment and the tree protection strategy therein is a suitable basis upon which to discharge planning condition no.5.

The report of Mr Hollis, appendices and attachments has been submitted for your validation.

If you have any questions, please do not hesitate to contact me.

Yours sincerely,

**Ian Lorman**  
Arboricultural Consultant  
(on behalf of Mr D Berlouis, Cadmonkies)
