

Design and Access Statement

296 Kilburn High Road, NW6 2DB

19/08/2013

The following design and access statement forms part of the planning application for a new shopfront to the above-mentioned premises.

DESIGN

The existing shopfront arrangement of a single side-entry door is being replaced with a double centre access door. The existing materials are polyester powder-coated aluminium and the proposal replaces like for like in terms of materials.

CONCLUSION

There is not a significant change to the existing situation therefore the proposal should be considered for approval.
