Dear Sir/Madam

PLANNING APPLICATION CONSULTATION

I am writing to let you know that a planning application has been received for work to the property or site listed below. The proposal may affect you or your neighbourhood. I would like to invite you to comment on the application so that your views can be taken into consideration before the application is decided.

Address:
15 Gayton Crescent
London
NW3 1TT

The Proposed Work:
Erection of a two storey side extension on south side, including erection of a new bay window plus new access with balcony and stone coping on north side; and erection of single-storey lean-to extension at lower ground level rear to an existing dwelling house (Class C3).

Included with this letter is advice about commenting on applications and how to find out more information about the application.

We must receive your written comments within **21 days** of the date of this letter. You can comment for or against an application or simply raise an issue without saying whether you support the application or not. We will try to take into account any comments received after the 21 days if a decision on the application has not been made. Please submit your comments on our website, by using the searching and commenting on a planning application tool, www.camden.gov.uk/planning or email planning@camden.gov.uk. Please provide details of your address.

Please note that because this is a householder application, in the event of an appeal against a refusal of planning permission which is to be dealt with by written representations, any comments made about the application will be sent to the Secretary of State but you will not have a further opportunity to comment at the appeal stage.
