Existing gate to be retained and refurbished.

205 x 255 Marshalls Conservation Kerb set on edge to retain levels

Tel-K Cycle store by Falcro. 1.5 unit store with 7no. Sheffield cycle hoops.

Supply and lay full build up of tarmac to engineers detail. Prior to laying Natratex wearing course in cycle store area.

205 x 255 Marshalls Conservation Kerb set on edge to retain levels within cycle store

Excavated planter edged with paving slabs haunched on mortar bed

50 x 150mm pcc edge

Level threshold

New pedestrian gate, refer to drawing T04

New Aco drainage channel

Existing wrought iron railing to be retained and restored

12no. sheffield cycle hoops. Set in concrete foundation below ground

nominal fall

Existing open drainage channel, clean outfall and repair as necessary

Excavated planter edged with paving slabs haunched on mortar bed

50 x 150mm pcc edge Ensure level threshold

4no Sheffield cycle stands set in ground in concrete foundations

New timber clad double gate and infill panel, refer to drawing T06

Proposed bin storage area

New pedestrian gate, refer to drawing T06.

Sub Station

New pedestrian and vehicular gates with automatic entry system. Refer to drawing T06.

Natratex to vehicular standards

New Aco drainage channel

New boundary fence. Refer to drawing T06.

Proposed mini bus parking bay

fall TBC

Dotted area shows area of existing planting. Supply and lay full build up of tarmac to engineers detail. Prior to laying Natratex wearing course

2no. Broxap Francioli cast concrete picnic benches Ref: BX25 6430. Fixed in ground in concrete foundations to manufacturer's recommendations

Proposed drinking fountain by Halsey Taylor. Ref: 4591

Powder coated 2m high weldmesh fence with lockable gate, sliding latch and drop bolt.

Proposed gulley with silt trap

50 x 150mm pcc edge

Proposed gulley

Woodscape Corner Bench Special, refer to detail AG-D02 Artificial turf continues below.

Marry in levels between natratex and artificial grass

Gym Kit by Hags Ref: Tibas, Code: 8003366

Planter constructed from 255 x 205mm Marshalls Conservation kerbs Refer to detail AG-D04

existing store relocated Area below to be new tarmac wearing course to create level base.

2no. Woodscape Type 1 benches 2000mm long. Artificial turf continues below.

New planters constructed either side of steps from stacked Marshalls Conservation Kerb Refer to detail AG-D06

Woodscape type 1 bench 2000mm long

Marshalls Conservation kerb planter. Refer to detail AG-D07.

Access to existing multi-use games area retained. Existing stairs retained and jet washed and resurfaced. Refer to detail AG-D06.

Existing fencing and gate replaced

Punch bag stand refer to detail AG-D01
