Dear Ms Ecclestone,

**PLANNING (LISTED BUILDINGS AND CONSERVATION AREAS) ACT 1990
(the 1990 Act) BUILDINGS OF SPECIAL ARCHITECTURAL OR HISTORIC
INTEREST**

Parker Street House, 25-37 Parker Street, London WC2

As you will know from our earlier letter we have been assessing whether the above building holds special architectural or historic interest, as a result of an application to issue a Certificate of Immunity (COI) for it.

We have now taken into account all the representations made, and completed our assessment of the building. Having considered our recommendation, the Secretary of State for Culture, Media and Sport has decided not to add Parker Street House to the List of Buildings of Special Architectural or Historic Interest.

Accordingly we can confirm that the Minister hereby certifies that she does not intend to list the building.

I attach a copy of our advice report, prepared for the Department for Culture, Media and Sport (DCMS), which gives the principal reasons for this decision.

Under section 6(2) of the 1990 Act, the effect of this certificate is to preclude the Secretary of State from listing Parker Street House for a period of five years from the date of issue (being the date of this letter), and to preclude the local planning authority from serving a Building Preservation Notice (BPN) on the building during that period.

Please do not hesitate to contact me if I can be of any further assistance. More information can also be found on our website at www.english-heritage.org.uk.
