**Response:**

- 1) Location of 16 storey block in sw corner directly facing Laystall court and holsworthy sq when block could be sited either se corner facing businesses or in east side next to royal mail building. In its present location it will both tower over Laystall and churchill house and Christopher Hatton School.
  - 2) The present design is not inclusive of the exsisting local community and access to the "park and shops" is limited.
  - 3) Noise pollution when building works start needs to be controlled, the windows in Laystall Crt offer little protection from noise, the councils exsisting guidelines are already flouted with works going on Sundays and after 6pm during the week on this site already.
  - 4) The number of social housing flats falls way below 40%.
