Occupier

Basement Car Park and Premises

222 – 236 Grays Inn Road

London

Dear Sirs

I refer you your correspondence of the 26th June 2013, as attached. I write to express concern regarding the negative effect which part of this proposed scheme, labelled P2 throughout, but specifically within the 'Internal Daylight, Sunlight and Overshadowing Report' published for the applicant by GIA, will have on the rights to light enjoyed by the title holders of 222-236 Grays Inn Road. In our opinion, the height and density of this scheme will have a negative impact on the light enjoyed by the occupan
