Dear Camden Planning Department

I would like to object in the strongest possible terms to the proposed development above. (2013/3494/P)

I believe the area on Highgate Road currently dedicated to industrial/commercial usage should remain that way.

It is a valuable source of income to Kentish Town, bringing in many people each working day who spend money in our local shops and restaurants.

Thank you for the opportunity to state my views.

Alison Huntington
