	existing retained
	line over/under/behind
	demolished
	new construction

78cm diameter satellite dish fixed to chimney stack using plugs and screws. The dish is to be sited as unobtrusively as possible, so as to minimise its effect on the property and on the amenity of the area.

New rooflight to be formed with doubled up timber rafters. Use 2No. 225x50 C24 timbers bolted together with M12 bolts at 500c/c, and using double sided toothed plate connectors. Fix to valley beam using BAT Framing Anchors by Expamet (or similar), with all nail holes filled. Anchors must be used in pairs.
