0m 1 2 4 10

Figured dimensions are in millimetres. All levels are in metres. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and level relationships with site features and ordinance survey. The architect must be notified of any discrepancy. Where building components are described in the specification as contractor designed, "construction" information relating to those components on this drawing represents design intent only. All areas indicated on the detailed floor plans are N/A with the exception of the overall apartment areas, which are GIA as noted.
