

- Notes:
- Where indicated, all levels are in metres Above Tunnel Datum (mADT).
  - Tunnel Datum = Ordnance Datum Newlyn (ODN) + 100m.
  - All levels defining the Great Northern Hotel were taken from Priest "As Built" drawings GA-1, GA-2 & GA-3, revision AB, dated 29.10.2009, received from Argent. On-site topographic survey is required to confirm levels.
  - Package 6 : Western Concourse levels are taken from 'As designed' information. On-site survey is required to confirm tie-in levels.

- Legend:
- Proposed major contour (0.100m interval)
  - Proposed minor contour (0.025m interval)
  - Package 6 design major contour (0.100m interval)
  - Package 6 design minor contour (0.025m interval)
  - Indicative paving cut line
  - Indicative Slot drain / linear drainage channel location
  - Fixed threshold level
