

Architectural elevation drawing of a building facade. The drawing shows a three-story building with a proposed roof terrace and roof light. The roof is shown with a series of vertical lines representing the roof structure. The proposed roof terrace is indicated by a dashed line and labeled "Proposed Recessed Roof Terrace". The proposed roof light is indicated by a dashed line and labeled "Proposed Roof light above stairs". The proposed roof light is shown as a rectangular opening in the roof. The proposed roof terrace is shown as a recessed area on the roof. The building facade features several windows, including a large double window on the right side and a smaller window on the left side. The drawing is a line drawing with no shading or color.

Issue **PLANNING**
