15. Foul Sewage					
Please state how foul sewage is to be disposed of:					
Mains sewer Package treatment plant Unknown					
Septic tank Cess pit					
Other					
Are you proposing to connect to the existing drainage system? Yes No Unknown					
16. Assessment of Flood Risk					
Is the site within an area at risk of flooding? (Refer to the Environment Agency's Flood Map showing					
flood zones 2 and 3 and consult Environment Agency standing advice and your local planning authority					
requirements for information as necessary.) Yes No					
If Yes, you will need to submit an appropriate flood risk assessment to consider the risk to the proposed site.					
Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? Yes No					
Will the proposal increase the flood risk elsewhere? Yes No					
How will surface water be disposed of?					
Sustainable drainage system Main sewer Pond/lake					
Soakaway Existing watercourse					
17. Biodiversity and Geological Conservation					
To assist in answering the following questions refer to the guidance notes for further information on when there is a reasonable likelihood that any important biodiversity or geological conservation features may be present or nearby and whether they are likely to be affected by your proposals.					
Having referred to the guidance notes, is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, OR on land adjacent to or near the application site:					
a) Protected and priority species					
Yes, on the development site Yes, on land adjacent to or near the proposed development No					
b) Designated sites, important habitats or other biodiversity features					
Yes, on the development site Yes, on land adjacent to or near the proposed development No					
c) Features of geological conservation importance					
Yes, on the development site Yes, on land adjacent to or near the proposed development No					

18. Existing Use								
Please describe the current use of the site:								
Barrister's Chambers								
Is the site currently vacant? Yes No Does the proposal involve any of the following? If yes, you will need to submit an appropriate contamination assessment with your application.								
Land which is known to be contaminated? Yes No								
Land where contamination is suspected for all or part of the site? Yes No								
A proposed use that would be particularly vulnerable to the presence of contamination? Yes No								
19. Trees and Hedges								
Are there trees or hedges on the proposed development site? Yes No								
And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character? Yes No								
If Yes to either or both of the above, you <u>may</u> need to provide a full Tree Survey, at the discretion of your local planning authority. If a Tree Survey is required, this and the accompanying plan should be submitted alongside your application. Your local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.								
20. Trade Effluent								
Does the proposal involve the need to dispose of trade effluents or waste? Yes No	_							
21. Residential Units								
Does your proposal include the gain or loss of residential units? Yes No	_							
22. All Types of Development: Non-residential Floorspace								
Does your proposal involve the loss, gain or change of use of non-residential floorspace? Yes No								
23. Employment	$\overline{}$							
If known, please complete the following information regarding employees:								
Full-time Part-time Equivalent number of full-time								
Existing employees 10 0								
Proposed employees 10 0 0								
24. Hours of Opening	=							
If known, please state the hours of opening for each non-residential use proposed:								
Use Monday to Friday Saturday Sunday and Bank Holidays Not Start Time End Time Start Time End Time Know	n							
A2 9.00 18.00 Start time End time Start time End time	1							
25. Site Area	$\stackrel{=}{\prec}$							
What is the site area? sq.metres								
26. Industrial or Commercial Processes and Machinery								
Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site:								
None								
Is the proposal for a waste management development? Yes No								
27. Hazardous Substances								
Is any hazardous waste involved in the proposal? Yes No	_							

28. Site Vi	sit						
Can the cite	be seen from a public ro	and public foot	nath bridlaway	or other public land?			No
