Dear Sirs,

RE: Busaba Eathai – 22 Store Street, London WC1E 7DF – Planning Application to Install 3no. Projecting Awnings to Main Elevation

I write with regard to the above restaurant premises, whereupon we wish to apply for permission to install 3no. unbranded, black projecting awnings for use over our external seating area.

In support of our application, I enclose herewith the following information:-

- 4no. copies of the application form
- 4no. copies of a Design and Access Statement
- 4no. copies of drawing SK 201 – Alfred Place Elevation
- 4no. copies of drawing SK 202 – Store Street Elevation
- 1no. cheque for the sum of £195.00

In brief, the drawings represent the awning in both retracted and opened state, in combination with the general appearance of the restaurant during and outside of normal trading hours.

The proposed awnings are adjustable in order that we can obtain optimum coverage whilst meeting the necessary local authority guidelines, as well as meaning minimal visual impact and work required to install.

I trust the above and enclosed meet with your approval, and that we can get this application processed.

Please don't hesitate to contact me if there are any further queries.

Many thanks.

Yours sincerely,

Alistair Carberry
