

Design & Access Statement - in connection with a listed building application to install a commemorative plaque on the first floor brickwork of 39 Marchmont Street, London, WC1N 1AP

Design:

The plaque will be designed, manufactured and installed in accordance with procedures approved by English Heritage, by a specialist plaque manufacturer recommended by that body.

An image of the proposed design of the plaque, which closely compares to the English Heritage style and materials, has been enclosed with this application,

Access:

There are no physical access issues relating to this application as it does not involve any building works.

The plaque has been designed and will be finished in a suitable size and clarity of lettering to enable it to be easily read from the ground floor/street level.
