For the attention of Jonathan Markwell

25th February 2013

Dear Sir,

Re: 13 Britannia Street & 146-146a Wicklow Street, London, WC1X 9JS

I write regarding the planning application submitted on behalf of Raag St Pancras Ltd in respect of the above site, which is in the ownership of Origin Housing Ltd. Origin Housing is a registered provider and member of Camden's Preferred Partner framework for new affordable housing delivery in the Borough. Origin's is registered with the Tenant Services Authority (No. LO871) and as a charity under the Industrial & Provident Societies Act 1965 (No. 10008R)

I am advised that you have requested comment from Origin on the planning application and can comment as follows:

1. We have seen and approve the planning application submitted on 30th January 2013 and can confirm that we are happy with the number of homes and tenure mix of affordable accommodation as being suitable for this location.
2. We can confirm that, subject to final terms being agreed, we will be interested in acquiring the affordable homes on completion of the project.

I trust that these confirmations are sufficient at present to confirm our involvement and interest in this project.

Yours Sincerely
