Drawing Nos: Existing window survey (Existing front elevation, Existing side elevation [north], Existing rear elevation); TP.2001A; TP.2002; TP.2003; TP.3000; TP.3000; TP.3001; TP.3002A; TP.3003; TP.3004; TP.3005A; TP.3006A; Photographic window survey; TP.0000; TP.1000C; TP.1001C; TP.1002C; TP.1003C; TP.2000C; TP.2001C; TP.2002D; Document entitled 'Slimlite double glazed units BS EN 1279 certificate.

The Council has considered your application and decided to grant permission subject to the following condition(s):

Condition(s) and Reason(s):

- 1 The development hereby permitted must be begun not later than the end of three years from the date of this permission.

Reason: In order to comply with the provisions of Section 91 of the Town and Country Planning Act 1990 (as amended).

- 2 All new external work shall be carried out in materials that resemble, as closely as possible, in colour and texture those of the existing building, unless otherwise specified in the approved application.

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 3 The development hereby permitted shall be carried out in accordance with the following approved plans:

Existing window survey (Existing front elevation, Existing side elevation [north], Existing rear elevation); TP.2001A; TP.2002; TP.2003; TP.3000; TP.3000; TP.3001; TP.3002A; TP.3003; TP.3004; TP.3005A; TP.3006A; Photographic window survey; TP.0000; TP.1000C; TP.1001C; TP.1002C; TP.1003C; TP.2000C; TP.2001C; TP.2002D; Document entitled 'Slimlite double glazed units BS EN 1279 certificate.

The development hereby permitted shall be carried out in accordance with the approved plans listed in schedule [inset name or number of schedule of plans]

Reason: For the avoidance of doubt and in the interest of proper planning.

- 4 No development shall commence before a contract has been entered into with the Local Highway Authority to secure the reinstatement of a level public footway, removal of the existing crossover and insertion of new crossover and dropped kerb. The side extension hereby permitted shall not be occupied until the works that are the subject of that contract have been completed

Reason: To ensure that the pedestrian environment is improved in accordance with policy CS11 of the London Borough of Camden Local Development Framework Core Strategy and policies DP17 and DP21 of the London Borough of Camden Local Development Framework Development Policies.

- 5 No development shall take place until full details of hard and soft landscaping and means of enclosure of all un-built, open areas have been submitted to and

approved by the Council. Such details shall include details of any proposed earthworks including grading, mounding and other changes in ground levels. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To enable the Council to ensure a reasonable standard of visual amenity in the scheme in accordance with the requirements of policy CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 6 All hard and soft landscaping works shall be carried out to a reasonable standard in accordance with the approved landscape details by not later than the end of the planting season following completion of the development or any phase of the development, whichever is the sooner. Any trees or areas of planting which, within a period of 5 years from the completion of the development, die, are removed or become seriously damaged or diseased, shall be replaced as soon as is reasonably possible and, in any case, by not later than the end of the following planting season, with others of similar size and species, unless the Council gives written consent to any variation.

Reason: To ensure that the landscaping is carried out within a reasonable period and to maintain a satisfactory standard of visual amenity in the scheme in accordance with the requirements of policy CS14 and CS15 of the London Borough of Camden Local Development Framework Core Strategy and policies DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

- 7 Details of the design of building foundations and the layout, with dimensions and levels, of service trenches and other excavations on site in so far as these items may affect trees on or adjoining the site, shall be submitted to and approved by the Council as the local planning authority before any works on site are commenced. The relevant part of the works shall not be carried out otherwise than in accordance with the details thus approved.

Reason: To ensure that the Council may be satisfied that the development will not have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 8 All trees on the site, or parts of trees growing from adjoining sites, unless shown on the permitted drawings as being removed, shall be retained and protected from damage to the satisfaction of the Council. Details shall be submitted to and approved by the Council before works commence on site to demonstrate how the crowns of the nearest trees to be retained shall be pruned in order to accommodate the works, and details of all measures to ensure that retained trees on site are protected during construction work: such details shall follow guidelines and standards set out in BS5837:2005 "Trees in Relation to Construction".

Reason: To ensure that the Council may be satisfied that the development will not

have an adverse effect on existing trees and in order to maintain the character and amenities of the area in accordance with the requirements of policy CS15 of the London Borough of Camden Local Development Framework Core Strategy.

- 9 Notwithstanding the approved drawings a revised basement floor plan showing shall be submitted to and approved in writing prior to the commencement of development to reflect the windows hereby approved where previously there were opening doors

Reason: To safeguard the appearance of the premises and the character of the immediate area in accordance with the requirements of policy CS14 of the London Borough of Camden Local Development Framework Core Strategy and policy DP24 and DP25 of the London Borough of Camden Local Development Framework Development Policies.

Informative(s):

- 1 Your proposals may be subject to control under the Building Regulations and/or the London Buildings Acts which cover aspects including fire and emergency escape, access and facilities for people with disabilities and sound insulation between dwellings.
